The *Windsurfing Enthusiasts of Tidewater* group promotes windsurfing activities in the Hampton

Roads area of Virginia. Surrounded by water this area has many locations that are suitable for both beginners and veteran windsurfers. *WET* sponsors several races during the year including the annual Lotto race in the summer which is just for fun. To introduce local residents to the sport, *WET* has two Intros to Windsurfing in the summer. *WET* meets once a month at local restaurants to discuss any current business and socialize.

Windsurfing in Hampton Roads

While many beginner windsurfers start out at Ft Monroe because it is an enclosed area there are many places on

the north side such as Buckroe Beach, Factory Point and on the southside, Willoughby Bay, Ocean View, East Beach, Chick's Beach, etc. The variety of launch areas allows beginners to graduate to more challenging conditions as their skills develop. Extensive information on launch sites is at www.sailwet.com/Nsail.htm. **WET** is actively involved in maintaining access to these areas for windsurfers and the public.

Intro to Windsurfing

WET sponsors two Intros to Windsurfing at Ft Monroe **22nd June and 29th June, 2019** After

brief on-land instructions participants spend the afternoon on the water in small groups with an experienced instructor learning the basics of windsurfing. To hone their skills participants can get more practice time on Sat or Sundays at Ft Monroe with help from **WET** members who loan their equipment and time. For info email sailwet1@gmail.com.
