

Introduction to Windsurfing (www.sailwet.com)

Come experience the thrill of windsurfing at Hampton's Mill Creek at Fort Monroe **Saturday June 19th and July 19th, 2021 11:00-2:30pm**

Instruction by experienced WET windsurfers. Just bring your desire to learn.

Each Intro is limited to a maximum of 20 students. Students must be at least the age of 15.

Bring: swimsuit, sunscreen, drinking water, and snacks. Foot protection in the form of old tennis shoes or booties is required and will not be provided.

Directions from I-64W from Norfolk:

Take the first exit (268) after coming off the Hampton Roads Bridge-tunnel.

Directions from I-64E from Hampton:

Take the last exit (268) before going onto the Hampton Roads Bridge-tunnel. Turn left at the light and proceed to the next light. Turn right onto Mellen Street and across small bridge. At the

entrance to Fort Monroe cross light and then left on Eustis Ln. We will normally launch at the Entrance launch area (see photo below). Turn left on Stillwell (ignore sign saying no left Turn).

Registration:

A \$50 registration fee covers all the equipment. Registration is on a first-come, first-served basis and must be received by the Wednesday before the Intro. Included is a follow up on July 17th 2021 where boards and assistance will be available to allow new windsurfers additional practice time. There will also be weekend sailing dates during July & August with WET volunteers available to help sailors who have attended the Intros. Payment and registration information is at <http://www.sailwet.com/intro/>.
