

## Introduction to Windsurfing

([www.sailwet.com](http://www.sailwet.com))

Come experience the thrill of windsurfing at

Hampton's Mill  
Creek at Fort Monroe  
**Saturday June 22<sup>nd</sup> and  
Saturday July 13<sup>th</sup>, 2024  
11:00-2:30pm  
Follow-up Sail: Saturday  
July 20<sup>th</sup>**

Instruction by

experienced WET windsurfers. Just bring your  
desire to learn.

Each Intro is limited to a maximum of 20 students.

Students must be at least the age of 15.

Bring: swimsuit, sunscreen, drinking water, and snacks. Foot  
protection in the form of old tennis shoes or booties is  
required and will not be provided.

### Directions from I-64W from Norfolk:

Take the first exit (268) after coming off the Hampton Roads  
Bridge-tunnel.

### Directions from I-64E from Hampton:

Take the last exit (268) before going onto the Hampton Roads  
Bridge-tunnel. Turn left at the light and proceed to the next light.  
Turn right onto Mellen Street and across small bridge. At the  
entrance to Fort Monroe cross light and then left on Eustis Ln.  
We will normally launch at the Entrance launch area (see

photo below). Turn left on Stillwell (ignore sign saying no left  
Turn).

### Registration:

\$50 on site, \$45 for pre-registration received by the Wednesday  
before the Intro. Covers all the equipment. Registration is on a  
first-come, first-served basis. Also, there will be weekend sailing  
days during July & August with WET volunteers available to  
help sailors who have attended the Intros. Payment and  
registration information is at

<https://www.sailwet.com/learn-active/>
